

Instructions for Idaho Form 41EXT Extension of Time Payment

A. GENERAL INFORMATION

If you cannot file your Idaho tax return by the due date, you will be allowed an automatic six-month extension of time to file without sending a written request. To qualify for an automatic extension, you must pay at least 80% of the current year tax liability or 100% of the total tax reported on your income tax return for the preceding year, if one was filed. If you will owe \$50 or less, a payment is not required; however, interest will accrue. Paying less than the required amount will result in a penalty. A penalty will also result if you pay the required amount but fail to pay the remainder of the tax due by the extended due date. Interest accrues on any balance of tax due on the return when it is filed.

Complete the tax payment worksheet below to see if you owe additional tax. If you owe additional tax but cannot file by the due date, use Form 41EXT below to mail in your payment. Your payment must be postmarked by the due date. Send Form 41EXT only if a payment is due.

Estimated tax on line 3 should be computed as follows:

Corporations: Multiply 7.6% by the estimated taxable income. If this results in less than \$20, use \$20 as the estimated tax. Add the \$10 permanent building fund tax to the estimated tax and subtract the amount estimated for credits.

S Corporations: S corporations are subject to tax on excess net passive income and capital gains. Use 7.6% to compute the estimated tax on this income. If the estimated tax on these items is less than \$20 or the S corporation does not report income from these items, use \$20 as the estimated tax.

S Corporations, Partnerships, and Fiduciaries with Individual Shareholders, Partners, and Beneficiaries: If the income is reported and the tax paid for individual shareholders, partners, and beneficiaries, use 7.6% to compute the estimated tax. This is in addition to the tax computed for the S corporation and fiduciaries. Add the \$10 permanent building fund tax for each individual not filing an Idaho return.

Fiduciaries: Add the permanent building fund tax to the computed tax unless all income is distributed to beneficiaries.
